

BT203V2 Sweex Bluetooth 2.0 Class II Micro Adapter USB

- Do not expose the Bluetooth 2.0 Class II Micro Adapter USB to extreme temperatures. Do not place the device in direct sun light or close to heating elements.
- Do not use the Bluetooth 2.0 Class II Micro Adapter USB in extremely dusty or moist environments.
- Prevent hard shocks or impacts of the device, as this can cause damage to the internal electronics.
- Never try to open the device yourself, this voids the warranty.

Installation

No drivers are needed to use the Bluetooth adapter. If you want to use the advanced functions you will have to install the supplied software.

To install the software, place the Sweex CD-ROM in the CD-ROM player of your computer. The CD-ROM will start automatically. Choose "Software".

Drivers and Software

Follow all steps to fully run the installation of the software. After the installation, connect the Bluetooth 2.0 Class II Micro Adapter USB to your computer.

To start the software you can use the shortcut on your desktop.

Or via Start → Programs → IVT BlueSoleil → BlueSoleil

IVT BlueSoleil

BlueSoleil

Connecting to the Bluetooth device.

1. Press the orange sun in the window to search for nearby Bluetooth devices.
2. Select your device, right click it, and choose "Pair Device".
3. Enter a 4-digit code to secure the connection. It can be 0000. Press "OK" and enter the same code in your Bluetooth device.

4. A red check mark appears at the connected device. Right click again and choose "Refresh Services".

5. The available services for this Bluetooth device are marked with yellow.

6. When you press the "Bluetooth File Transfer Service" a window appears where you can exchange files with your Bluetooth device.

Warranty

For all Sweex products a warranty period of 3 years applies. We do not give support or warranty on supplied software, rechargeable batteries and batteries. Transaction of warranty only takes place at the sales point where the product is bought.

All brand names and associated rights mentioned in this manual are and stay property of the rightful owner.
